

**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

JAMES EBRAHIMI,

Plaintiff(s),

v.

CCW LANTANA, LLC, et al.,

Defendant(s).

Case No. 2:19-cv-00325-JCM-NJK

Order

[Docket No. 61]

Pending before the Court is Defendants' motion for a determination of the sufficiency of a medical report. Docket No. 61.¹ The motion is deficient in several respects.

First, the motion attaches a medical report as to Plaintiff's competency, which Defendants filed on the public docket. Docket No. 61-2. Given that such document addresses sensitive health issues, it would appear that it should have been filed under seal. *Cf.* Docket No. 56 at 4. The Court will seal that document on an interim basis.

Second, the motion contains no legal authority or meaningfully developed argument. *But see* Local Rule 7-2(d); *Kor Media Grp., LLC v. Green*, 294 F.R.D. 579, 582 n.3 (D. Nev. 2013). To the extent Defendants seek relief from the Court, they must file proper papers articulating the pertinent standards and providing well-developed argument supported by legal authority.

Accordingly, Defendants' motion for a determination of the sufficiency of a medical report is **DENIED** without prejudice. The Clerk's Office is **INSTRUCTED** to seal Docket No. 61-2. No later than August 23, 2021, the parties must file a joint statement as to whether that exhibit

¹ The parties separately filed a joint status report that the case has settled. Docket No. 62.

1 should remain sealed. *See, e.g., Kamakana v. City and County of Honolulu*, 447 F.3d 1172 (9th
2 Cir. 2006) (addressing standards).

3 IT IS SO ORDERED.
